

DIRECTIONS TO BRISTOL MANOR FARM

From the North:

Leave the M5 at junction 18 (signposted Bristol, Avonmouth and Docks)

Shortly keep in the left-hand lane then branch left (signposted for Bristol and Airport)

At the roundabout take the 2nd exit onto the Portway - A4 (signposted Bristol) - Entering Avonmouth

This will take you to the Portway. Continue along this road – WARNING SPEED CAMERAS.

From the Portway, you cannot turn right into our ground; this is a left turn only. If you are coming south from the M5 you will need to follow these directions:-

From the Portway:

TURN LEFT at the traffic lights for Sylvan Way (A4162)

TURN RIGHT at the next set of traffic lights onto Shirehampton Road

Take the 7th turning RIGHT onto Sea Mills Lane (this is directly opposite The Mill House pub)

Follow this road which will take you under the Portway. When you emerge from under the Portway bridge follow the road to the left (Sea Mills Train station is a dead-end directly in front at this bend) and this will take you back up to the other side of the Portway.

TURN LEFT onto the Portway (watch the traffic it travels fast!)

The club can be found on the left by the bus stop – Look for our sign and also the Portway Rugby Development Centre, which is the same place.

From the South:

Travel along the A4 Portway past Bridge Valley Road. There are no turnings after this except for Sea Mills. When you pass this turning on your left you will then travel over a bridge. The club can be found just after this on the left by the bus stop – Look for our sign and also the Portway Rugby Development Centre, which is the same place.
